Editorial Review

From the Back Cover

"Blomberg and Foutz Markley have written a wonderfully clear and accessible handbook for New Testament exegesis. The book covers the various steps of the exegetical process and gives sane and sage advice throughout. What makes the book especially illuminating and interesting are the many examples from the New Testament that illustrate the principles discussed. Professors and students will be grateful for a work that is exegetically rigorous, theologically informed, and practically useful."--**Thomas R. Schreiner**, Southern Baptist Theological Seminary

"The process of Greek exegesis, starting at textual criticism and moving all the way to contextualization, can prove a daunting task for students and ministry leaders alike. Blomberg's and Foutz Markley's handbook promises to be a helpful guide along the way. Clearly written, it emphasizes the specific skills necessary for exegesis and explores practical issues of New Testament interpretation. The consistent use of biblical texts to illustrate a particular skill or guideline is an especially compelling feature of the book. Helpful and practical."--**Jeannine Brown**, Bethel Seminary

"Among the many discussions of the interpretation of Scripture that have appeared lately, this is one of the best and most helpful. Concise and readable, it nevertheless interacts at a high level with the field of hermeneutics. This is a treasure trove of principles for the complex task of understanding Scripture. It covers the major aspects of Bible study and does so with a good explanation of the various nuances of interpretation, providing practical examples from the New Testament. It is a must-read for the serious student of the Word."--**Grant Osborne**, Trinity Evangelical Divinity School

"In this immensely practical guide to New Testament exegesis, seasoned New Testament scholar Craig Blomberg teams up with Jennifer Foutz Markley to produce another winner. The text walks the student through all key aspects of New Testament interpretation, striking just the right balance between scholarly acumen and simplicity of presentation."--**Mark L. Strauss**, Bethel Seminary San Diego
