Little Secrets By Megan Hart

They're not alone in the house.

With a baby on the way and a brand new house, it seems Ginny and her husband, Sean, are on their way to a fresh start. But strange occurrences and financial strain seem determined to keep Ginny and Sean stuck in the past. Ginny begins to believe the house may be haunted...or that her husband might be trying to trick her into thinking so. As Ginny researches the house's former owner and the tragedy that happened there, it becomes clearer than ever that *something* is in the house with them. The question is, who...or what...is it?
