Superman: Action Comics, Vol. 1: Superman and the Men of Steel (The New 52) By Grant Morrison

A New York Times Best Seller!

DC Comics took a bold step and renumbered the longest-running monthly comic, *Action Comics*, to #1 for the first time since 1938 as part of the DC Comics—The New 52 event.

With this renumbering comes a new creative team featuring comics legend Grant Morrison and fan-favorite artist Rag Morales. While Morrison is no stranger to writing the Superman character, having won three Eisner Award's for his work on *All-Star Superman*, *Action Comics* will be something new for both old and new readers and present humanity's first encounters with Superman, before he became one of the World's Greatest Super Heroes. Set a few years in the past, it's a bold new take on a classic hero.
