The Merchant Emperor: The Symphony of Ages By Elizabeth Haydon

The long awaited seventh book in Elizabeth Haydon's critically-acclaimed epic fantasy series, the Symphony of Ages.

The war that they had feared is now upon them. Ashe and Rhapsody, leaders of the Cymrian Alliance, are gathering their allies to combat the machinations of Talquist, who will soon be crowned emperor of Sorbold. Gwydion Navarne remains by Ashe's side. Anborn, Lord Marshal, has taken to the field. And Rhapsody has been forced into hiding to protect the life of her infant son.

The Merchant Emperor of Sorbold has unintentionally allied himself with a pair of demons and has begun targeting the dragons that remain on the Middle Continent. Talquist will stop at nothing until the Cymrians are wiped out and the entire continent and the rest of the Known World is under his rule.

Assailed by danger from all sides, surrounded by lies and intrigue, Rhapsody is left with one undeniable truth: if their forces are to prevail, she must join the war herself, wielding the Daystar Clarion, an ancient weapon whose power is nearly unparalleled. As she struggles to reconcile her duties as a mother and ruler, a danger far more devastating than Talquist is stirring beneath the surface of the land itself.

In *The Merchant Emperor*, beloved characters are forced to make soul shattering sacrifices. Bestselling author Elizabeth Haydon has delivered a breathtaking seventh installment to the Symphony of Ages.

Editorial Review

From [Booklist](#)

The seventh book of the Symphony of Ages series begins with a 10-year-old girl, Melisande, being escorted to the edge of a magical woodland. She is given a tremendous task, by which the reader is introduced to the major characters and the political turmoil that is occurring throughout the land. Talquist the merchant has allied himself with a demon in an ambitious ploy to become emperor of F'dor. For those familiar with the history of Rhapsody and Ashe, two of the main characters from previous books, this volume will provide additional depth to their personalities as they are forced to make difficult decisions to save not only themselves and those they love but also perhaps the world they live in. This is not recommended as an entry point to this series because there are too many assumptions made about the readers' knowledge of the characters. But followers of the series will be delighted with it. --Rebecca Gerber

"While deftly managing a large cast of intriguing characters in a story that's both grand and intimate but never predictable, Haydon moves all the pieces into place for the next volume." *?Publishers Weekly, starred review on The Assassin King*

"One of the finest high fantasy debuts in years." *?Publishers Weekly, starred review on Rhapsody*

"Those who eagerly anticipated this volume will be even more desperate for the next, and if the author's stunning rate of improvement is anything to go by, it will be well worth the wait." *?Publishers Weekly, starred review on Elegy for a Lost Star*
