

The Strategy Pathfinder: Core Concepts and Micro-Cases

By Duncan Angwin, Stephen Cummings, Chris Smith

The Strategy Pathfinder: Core Concepts and Micro-Cases By Duncan Angwin, Stephen Cummings, Chris Smith

The Strategy Pathfinder is built around micro-cases of real-life problems faced by companies and executives. These micro-cases help readers to engage with the kinds of situations they will encounter in their working lives while provoking discussions about key theoretical themes. Original presentation and design makes this an essential companion for both the business-school classroom and the executive briefcase. *The Strategy Pathfinder* brings experienced and potential executives alike an instant guide to the concepts and techniques they need to know.

- An innovative introduction to strategy.
- Makes readers active “producers” of strategy, rather than passive recipients of received wisdom.
- Presents essential pathways through the strategy jungle.
- Each case provokes discussion about a key theoretical theme.
- Encourages readers to form a view themselves, and then test it against the views of others, before offering recommendations about how best to proceed.
- Cases are drawn from Africa, the Americas, Asia, Europe and Oceania.
- Supported by online lecturer supplements, available at www.blackwellpublishing.com/angwin.

Editorial Review

Review

"A lively, dynamic, and open text that brings people into strategy making in a way that should encourage readers to pursue the ideas for themselves."

David Collis, Harvard Business School

"The original design of *The Strategy Pathfinder* makes it a valuable companion, not just for the business school classroom, but also for the executive briefcase. Experienced executives and newcomers alike get an instant guide to the ideas and techniques they need to know."

Executive Business

"Global competition in pianos during the nineteenth century, internationalization of Barbie dolls, localization of HSBC -- what a varied and captivating collection of cases! Together with a concise and eclectic analytic content, and guidance on applying the analytic tools to the cases, *The Strategy Pathfinder* offers a delightfully innovative, systematic and refreshing new approach to developing strategic management skills."

Robert M. Grant, University of Georgetown, Washington "A unique and innovative approach to developing knowledge and capabilities in strategic management. The "case-lets" allow students to 'learn-by-doing'. The approach offered in this book can be especially effective when teamed with content on the theory and method of strategic management."

Michael A. Hitt, Texas A&M University

"Do we really need another book on strategy? Well 'The Strategy Pathfinder' is one with an attitude! Its effective use of an impressively broad range of micro-cases that cover the main concepts of business strategy gives students a succinct and very practical approach to the subject."

Peter Hagström, Stockholm School of Economics.

"The unique micro-cases in this book will surely spark energetic discussion in the classroom. The diversity of international companies and strategic issues in the cases provides an unusually broad set of examples from which to draw."

Constance E. Helfat, Dartmouth College

"The Strategy Pathfinder represents a refreshing and engaging method for teaching strategy. The processes and cases, which define the book, provide excellent learning materials that bring a real-life experience to students." *Stuart Sanderson, Bradford University*

From the Inside Flap

"A unique and innovative approach to developing knowledge and capabilities in strategic management. The 'case-lets' allow students to 'learn-by-doing'. The approach offered in this book can be especially effective when teamed with content on the theory and method of strategic management."

gives students a succinct and very practical approach to the subject."

Peter Hagström, Stockholm School of Economics

From the Back Cover

The Strategy Pathfinder provides today's hard-pressed business students with a new, effective way to learn about business strategy. Built around micro-cases of real-life problems faced by companies and executives, this 'strategy i-pod' helps business students to engage with the kinds of situation they will encounter in their working lives while provoking discussions about key theoretical themes. These cases are drawn from the Americas, Asia, Europe, Africa and Oceania.

The Strategy Pathfinder is also supported by online lecturer supplements, available at www.blackwellpublishing.com/angwin.

Users Review

From reader reviews:

Joel Faulkner:

Reading a publication can be one of a lot of pastime that everyone in the world adores. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new information. When you read a e-book you will get new information because book is one of many ways to share the information or perhaps their idea. Second, reading through a book will make anyone more imaginative. When you examining a book especially fiction book the author will bring you to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to other people. When you read this *The Strategy Pathfinder: Core Concepts and Micro-Cases*, it is possible to tells your family, friends and soon about yours guide. Your knowledge can inspire the mediocre, make them reading a guide.

Tyron Lenahan:

Reading a book to become new life style in this year; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, as well as soon. The *The Strategy Pathfinder: Core Concepts and Micro-Cases* will give you new experience in looking at a book.

William Kirby:

Is it you who having spare time and then spend it whole day by watching television programs or just resting on the bed? Do you need something new? This *The Strategy Pathfinder: Core Concepts and Micro-Cases* can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your free time by

reading in this new era is common not a nerd activity. So what these guides have than the others?

Philip Mejia:

As we know that book is very important thing to add our understanding for everything. By a publication we can know everything we would like. A book is a list of written, printed, illustrated as well as blank sheet. Every year was exactly added. This book The Strategy Pathfinder: Core Concepts and Micro-Cases was filled in relation to science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading a book. If you know how big benefit from a book, you can feel enjoy to read a e-book. In the modern era like currently, many ways to get book that you just wanted.
