Ugly Love: A Novel By Colleen Hoover

#1 *New York Times* bestselling author Colleen Hoover returns with a new heart-wrenching love story.

When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her.

Never ask about the past.

Don't expect a future.

They think they can handle it, but realize almost immediately they can't handle it at all.

Hearts get infiltrated.

Promises get broken.

Rules get shattered.

Love gets ugly.

Review

"Only Colleen Hoover can pack that much brilliance into one novel." (Jamie McGuire #1 *New York Times* Bestselling Author of *Beautiful Disaster*)

"Hoover builds a terrific new-adult world here with two people growing in their careers and discovering mature love." (Booklist (starred review))

"A must-read book of the year! I loved every word, I felt every moment, and I will never forget this story. I don't give out a lot of 6 star ratings (in fact this will be the first one I've given this year) but the truth is that this book went above and beyond. The story was powerful, the writing was stunning, and the way every single piece of it was woven together was simply breathtaking." (Aestas, blog review)

"By the end of this book, my heart was aching and rejoicing at the same time from the countless emotions it had been exposed to. This is the sexiest, most heart-wrenching Colleen Hoover book to date—a book that shows us a brand new side of this author's writing genius, and it is in my humble opinion, her best work thus far." (Natasha is a Book Junkie, blog review)

"Colleen Hoover once again proves she's a master storyteller in her best and boldest work to date." (Vilma's Book Blog)
