Death of a Hollow Man: Inspector Barnaby #2 (Chief Inspector Barnaby Novels) By Caroline Graham

Actors do love their dramas, and the members of the Causton Amateur Dramatic Society are no exception. However, even the most theatrically minded have to admit that murdering the leading man in full view of the audience is a bit over the top. Luckily, Inspector Barnaby is in that audience, and while he may lack certain skills as a theater critic, he's just the man to catch a killer. Barnaby is in his element, and so is Caroline Graham, a former actress, who tweaks her collection of community-theater artistes and small-town drama queens with merciless delight. The reader's only regret will be that, eventually, the curtain must come down on the final page.
