Editorial Review

Review

'It is rich in coverage and in depth. The language is comprehensible to educators, managers and researchers.... Overall, it is a good piece, a preferred addition for libraries. The editors deserve full acknowledgement for the effort put in to give shape to the volume' - *Journal of Educational Planning and Administration*

'Educational management has become an important academic subject. The contributors to this volume have guaranteed its survival as such by undertaking this review in order that they and others working in the field may take account of a range of agendas and initiatives. The outcome must be a fresh stance and a new sense of direction to enable a study of educational management to meet the needs of teachers and their schools in the new millennium' - *Educational Research*

'Researchers interested in various aspects of college leadership and management will find this book a convenient and scholarly introduction to related to research in the school sector' - *Further Education Development Agency, College Research Journal*
