Invasion of the Overworld: Book One in the Gameknight999 Series: An Unofficial Minecrafters Adventure By Mark Cheverton

A *New York Times* Best Seller!

The world of Minecraft comes to life in this thrilling adventure!

Gameknight999 loved Minecraft, but above all else, he loved to grief—to intentionally ruin the gaming experience for other users.

When one of his father's inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he's killed? Will he respawn? Die in real life? Stuck in the game, Gameknight discovers Minecraft's best-kept secret, something not even the game's programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he'll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started.

This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
