Editorial Review

Review

"It is exceptionally written and well organized. Broad in spectrum yet concise. One of the very few such texts in Spanish language. An exceptional tool for the Latin American Studies classroom."

"It provides a no-nonsense (serious) historical review. It has worked quite well."

"In general, I like the book, especially its breadth and depth, and its progressive perspective."

"The author did a good job including a ton of information in a small amount of space. The students are not asked to 'dig too deep' into the history, but at the same time many interesting 'extras' are included."

"I appreciate very much the outline at the end of each chapter which reviews and [encapsulates] the materials."

About the Author

Dr. Rodriguez received his Ph.D. from the University of Washington and an Honorary Doctorate in Letters from the National University Federico Villarreal of his native Peru.
