No Turning Back:

CIA communications expert Samarra Wallace is on the run from a faceless enemy when she learns terrorists have kidnapped and threatened to execute her cousin. She will do whatever it takes to free her, including breaking cover to contact the former teammate she is dangerously attracted to. Now all she has to do is convince him she's not working for the bad guys.

Ex-Army Ranger Ben Sinclair isn't sure he can trust Sam, but he can't turn her away. Lives are at stake and she may be the only way to capture the terrorist mastermind his team is hunting. Despite his reservations, he finds himself falling for her. But when Sam's innocence is questioned again during a botched operation in the remote mountains of Afghanistan, the team pays a terrible price for trusting her. In the wake of that staggering betrayal Ben must decide if she's the innocent woman he fell in love with, or if she's a traitor who'd set them up to die.

Relentless:

Former Delta Force operator Rhys Sinclair defied the odds by recovering from a traumatic brain injury that should have killed him. Given the chance to repay the beautiful doctor who saved his life by guarding hers, he can't say no—even if it means facing an unknown threat from the cunning terrorist his CIA-sanctioned team had been hunting in Afghanistan. The catch is, she can't know about it without blowing their cover.

Trauma surgeon Neveah Adams is finally putting her life back together after her horrific experience in Afghanistan. Giving the keynote speech at a medical conference in Vancouver is her starting point. With Rhys there to watch over her she feels safe for the first time in months, and her biggest problem is trying to hide her intense feelings for him.

But Rhys knows something Neveah doesn't. The terrorist who targeted her in Kabul is coming after her again, and he's relentless enough to ensure all his past mistakes are erased with one final strike. Now that the nightmare from her past has resurfaced, Neveah has no choice but to put her trust in the one man who has the ability to break her heart, never knowing an assassin is closer than they realize.

Absolution:

A lifetime of regret...

After legendary CIA contractor Luke Hutchinson unknowingly trained the man who would become the world's most dangerous terrorist, he has no choice but to hunt him across the globe. Driven to complete that final mission, he fears his enemy has targeted the only woman Luke has ever loved. Unfortunately for him she's his ex-wife, and already facing another deadly threat he can't protect her from.

A lifetime of pain...

Emily always hoped Luke would find his way back to her, but she's finally given up on that impossible dream. Now that she's fighting her own life and death battle, the last thing she wants is to get entangled with the man who ripped out her heart and left her to raise their son on her own.

One final chance at absolution...

Undeniable sparks fly when they're forced to share a roof, but unless Luke can get Emily to trust him, they won't get the second chance they've waited over two decades for. And time is running out. The monster Luke created is on the move again, bent on destroying him and anyone who gets in the way.
