Editorial Review

From the Inside Flap

WAYNE MARTINDALE has a Ph.D. in English from the University of California, Riverside, and is associate professor of English at Wheaton College, where he uses Lewis's works in many of his courses.

JERRY ROOT has an M.Div. from Talbot Theological Seminary and is senior pastor of Trinity Baptist Church in Santa Barbara, California. He formerly taught philosophy and religion at College of DuPage in northern Illinois, where he made extensive use of Lewis's work. He has avidly studied and collected Lewis's works for many years.

From the Back Cover

Why does his writing remain so popular?

As an Oxford scholar, Christian apologist, and author of the Chronicles of Narnia, C. S. Lewis wrote prolifically in many genres, covering a wide spectrum of topics. His soaring imagination is anchored in a unifying concept of who God is, who we are as God's fallen creatures, the destiny of humankind, and the need for redemption and perfection in Christ.

There is nothing in literature which does not, in some degree, percolate into life. - C. S. Lewis, "The Allegory of Love"

Users Review

From reader reviews:

James Brown:

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even restricted. What people must be consider while those information which is within the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced.
