**The Return Of The King: A Prophetic Timeline Of End-Time Events** By Jeff Kluttz

The Return of The King (ROTK) is a detailed timeline of end-time events as prophesied in the Bible. Unlike some works of this nature, ROTK is written to a non-technical audience, providing full definitions of all theological terms used in the book. It is written by a minister of over 20 years who is accustomed to breaking complicated theological content down for its simplest digestion. ROTK is written from a premillennial perspective, which understands scripture to be literal in nature, and prophecy to be interpreted via normal and customary interpretational methods rather than being relegated to symbolic in its nature. ROTK is also written in conjunction with the ROTK Teacher's and Student's editions which can be obtained for teaching the biblical study of eschatology (end time events) in a classroom setting. ### **Editorial Review**

#### About the Author

Jeff Kluttz has spent over twenty years in vocational ministry. He has a strong desire for the biblical education of our culture, especially in light of modern trends which attempt to minimize the importance of scripture in one's religious education. He believes strongly that scripture alone is the valid and unchanging source of truth concerning all essential teachings of the Christian faith. To that end, each of his works are based upon the careful examination of scripture and are presented as biblical studies rather than personal or ideological arguments.
