Homeland Security operative Scot Harvath is called to action once again in this pulse-pounding political thriller from #1 *New York Times* bestselling author Brad Thor.

Navy SEAL turned covert operative Scot Harvath is called to action in Brad Thor's red-hot thriller—a “must read for our times” (James Rollins). Buried within the black ops budgets of the Department of Defense, a newly created spy agency reports only to a secret panel of military insiders. Its job is to target America's enemies—both foreign and domestic—under a charter of three simple words: *Find, Fix, and Finish*.

When a bombing in Rome kills a group of American college students, the evidence points to a dangerous colleague from Harvath's past. Tasked with leveraging this relationship to lure the man out of hiding, Harvath must destroy him. But what if it is the wrong man?

In Chicago, a young woman is struck by a taxi in a hit-and-run, and the family's attorney uncovers a shocking connection to the Rome bombing. Harvath must link together the disparate violence and race to prevent one of the most audacious and unthinkable acts of war in the history of mankind.
