Hypnotized By Georgia Le Carre

Unlocking her mind... Will unleash his darkest desires.

Marlow Kane

Two years ago I had the perfect life. Then...BOOM...everything was gone in a one shocking instant that left me dead inside.

Now I'm a hypnotist on London's famous Harley Street. I'll help you kick a habit, lose an irrational fear, shed some pounds, or explore your past...

My new client Olivia Swanson is an incredibly beautiful, mysterious and troubled young woman who has lost her memory. As our sessions commence her deepest darkest desires are laid bare and I realize she is not at all what she seems to be.

What I uncover is so intoxicating I begin to lose all sense of professionalism. I know I should abandon our weekly encounters—I know I should stop—but I can't...

What I fear most is what I am discovering about myself...

Olivia Swanson.

Marlow Kane is unlike any man I've ever known. He has film star looks, a ripped body and a very sexy American accent. But sometimes when he thinks no one is looking I see pain swimming in his eyes.

To excavate my buried memories I gave him permission to delve into the darkest recesses of my mind, but I've now begun to experience flashbacks. The problem is I don't recognize the woman in my memories.

But I say nothing because I fear he may suddenly stop and I cannot let him walk away. I live for his smoldering gaze and forbidden touch.

He has no idea that the deeper he goes the more entangled we become....

About the Author

Hi everyone I'm Georgia Le Carre, I write contemporary and adult erotic romance and I am the bestselling author of the Amazon # 1, the billionaire banker series. I live in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife. Sadly for me I love all things chocolate and food and have a voracious appetite for Romance reads, particularly

new authors with a fresh voice. When I am not feeding words into Amy, my precious laptop, I can be found lost in a long walk in the woods, particularly on moonlit nights; and often with the man of my dreams Want More Hot Romances?
