REBOOT YOUR SEX DRIVE! Does sleep sound better than sex? You're not alone. Millions of men and women are struggling to understand their loss of desire. The answer lies not in new sexual positions but a new sexual positioning. Programming has taught women to value being an object of desire over having desire. Men have learned to be sexual 'doings' rather than sexual beings. It's not too late to activate the desire that has been suffocated by screwed-up conditioning and frenzied, fast-paced lifestyles. Taking Sexy Back will help you turn on and tune into your sexual energy and claim the passion that you deserve.
