**The Accidental Heir** By Susan Stephens

*USA Today bestselling author Susan Stephen's digital novella reveals just how hard it is to be a modern day princess in this passionate and powerful story that will stay in your minds, long after the last page!*

The last of her clan, Princess Astrid steps up to claim her birth right as ruler of the Arctic lands of Hammersvik. But first she must complete the rigorous training her advisors insist upon.

Her unlikely tutor is Karl Thorberg, Prince of the neighbouring lands, intrepid explorer and reckless thrill-seeker. He insists pampered Astrid leave her palace and experience, first hand, the wild Arctic landscape she will rule.

As the freezing Artic wind rages round them, passions are heating up between Astrid and Karl. It's not long before Karl is tempted into some very un-princely behaviour! But during their one night of indiscretion, he inadvertently resolves another condition of her reign ? that she provides an heir!

*Don't miss the other titles in this fantastic collection that celebrates Royal Babies all over the world!*

### Editorial Review

### Users Review

#### From reader reviews:

#### Florence Whitney:

Exactly why? Because this The Accidental Heir is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

#### David Carter:

Do you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't evaluate book by its include may doesn't work here is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer may be The Accidental Heir why because the wonderful cover that make you consider concerning the content will not disappoint you actually. The inside or content is actually fantastic as the outside or maybe cover. Your reading 6th sense will directly guide you to pick up this book.

#### Victor Hubbard:

The book untitled The Accidental Heir contain a lot of information on this. The writer explains the girl idea with easy approach. The language is very clear to see all the people, so do certainly not worry, you can easy to read this. The book was published by famous author. The author provides you in the new period of literary works. You can easily read this book because you can please read on your smart phone, or program, so you can read the book within anywhere and anytime. In a situation you wish to purchase the e-book, you can open up their official web-site and also order it. Have a nice learn.

#### Mark Garcia:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many

ways to reach Chinese's country. Therefore , this The Accidental Heir can make you really feel more interested to read.
