NEVER BEFORE PUBLISHED  
THE COMPLETE NOVEL

**Available for the first time as a complete novel—the serial from the *New York Times* bestselling author that explores the dynamics of power and sex between two people who set the rules of desire...only to shatter them.**

When unconventional hospice nurse Emma Shore secured a new position at the Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand, she had no idea how soon she'd be drawn into his darker sexual games—or that it would be her own fantasies that would hold her captive.

Michael knew he shouldn't have engaged such an innocent woman to share in his desires. But strong sexual appetites and selfishness run in his blood.

From Michael's luxurious lakeside home to the sun-drenched, sensual shores of the French Riviera, Emma submits again and again to his intoxicating power. But she knows there is only one way to protect her heart.

The affair will continue, but under her conditions: Only she can end it, and when it's over, they will part and never speak again of the things they dared to do behind locked doors.
