### The Exiled Queen (Seven Realms) By Cinda Williams Chima

Haunted by the loss of his mother and sister, Han Alister journeys south to begin his schooling at Mystwerk House in Oden's Ford. But leaving the Fells doesn't mean that danger isn't far behind. Han is hunted every step of the way by the Bayars, a powerful wizarding family set on reclaiming the amulet Han stole from them. And Mystwerk House has dangers of its own. There, Han meets Crow, a mysterious wizard who agrees to tutor Han in the darker parts of sorcery-but the bargain they make is one Han may regret.

Meanwhile, Princess Raisa *ana'*Marianna runs from a forced marriage in the Fells, accompanied by her friend Amon and his triple of cadets. Now, the safest place for Raisa is Wein House, the military academy at Oden's Ford. If Raisa can pass as a regular student, Wein House will offer both sanctuary and the education Raisa needs to succeed as the next Gray Wolf queen.

Everything changes when Han and Raisa's paths cross, in this epic tale of uncertain friendships, cut-throat politics, and the irresistible power of attraction.

### Editorial Review

From School Library Journal

Gr 8 Up—Seventeen-year-old Han Alister was once the Ragmarket street lord, skilled in thievery and lies. But now he's traveling to Oden's Ford to earn an education in the magical arts, and it will not be without peril.

Despite the fact that the academy is known as “the great leveler,” there are students who have reason to hate Han, specifically the Bayar twins, Micah and Fiona, because he stole the Demon King's amulet from their father, the High Wizard. To gain the upper hand on them, Han joins forces with a mysterious wizard he met in the dream world, but what this wizard asks in return may be more than the teen wishes to give.

Meanwhile, Princess Raisa has fled from an arranged marriage with Micah Bayar. She and her loyal—and beloved—soldier, Amon, are also making their way to Oden's Ford so that Raisa might receive a military education in order to become a stronger ruler. Raisa's and Han's paths have crossed in the past, but when they meet again their connection is more powerful than before. Chima has created an intricate world with a rich history, cultural prejudices, and complicated political dynamics. Her characters are multifaceted: no one is either completely evil or insidiously perfect—each has shortcomings as well as redeeming traits. Readers would do well to pick up the first book in this series before tackling this one, as there are some details that will be lost without knowledge of what transpired in *The Demon King* (Hyperion, 2009), but those who love a well-thought-out fantasy will enjoy this novel. *Heather M. Campbell, formerly at Philip S. Miller Library, Castle Rock, CO*

### Review

Praise for *The Exiled Queen*: 'Vividly drawn and lusciously executed, the Seven Realms series continues to grow in breadth and detail with this sequel to *The Demon King*. The story lines are intricately plotted and the characters fully realized, even as questions about truth, loyalty, and power are explored.' VOYA 'Duty, love, expedience and revenge fuel the labyrinthine intrigues of this second entry in an epic fantasy series...Seven Realms fans will pore over every detail and beg impatiently for the sequel. Riveting.' Kirkus Praise for *The Demon King*: 'The *Demon King* is a page-turner for any reader, regardless of age.' Robin Hobb 'Dozens of characters, complex and distinct in personality, are placed with jewel-like precision, set off by dark glints of villainy... [readers] will clamor for the sequel.' Publishers Weekly Praise for Cinda Williams Chima: 'Centuries of wizardly scheming, slavery and slaughter reap apocalyptic fallout in this final volume of Chima's trilogy... Heroes and villains alike are swayed by achingly human motivations into disastrous choices with devastating consequences...The resolution is-like the end of childhood itself-tentatively hopeful, if not triumphant. A superlative accomplishment.' Kirkus.

### Users Review

#### From reader reviews:

**Lavinia Arthur:**

As people who live in typically the modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era and that is always change and make progress. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know what one you should start with. This The Exiled Queen (Seven Realms) is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

**Stephen Louis:**

Nowadays reading books are more than want or need but also turn into a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want experience happy read one along with theme for entertaining like comic or novel. The actual The Exiled Queen (Seven Realms) is kind of guide which is giving the reader capricious experience.

**Barbara Tucker:**

The e-book with title The Exiled Queen (Seven Realms) has lot of information that you can learn it. You can get a lot of help after read this book. This particular book exist new knowledge the information that exist in this e-book represented the condition of the world now. That is important to yo7u to know how the improvement of the world. This particular book will bring you inside new era of the globalization. You can read the e-book on your smart phone, so you can read it anywhere you want.

**Gerald Chisholm:**

Your reading sixth sense will not betray you, why because this The Exiled Queen (Seven Realms) publication written by well-known writer we are excited for well how to make book which might be understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own hunger then you still doubt The Exiled Queen (Seven Realms) as good book not just by the cover but also by the content. This is one guide that can break don't assess book by its protect, so do you still needing another sixth sense to pick that!?! Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.
