**The Goodbye Girl (Red Market Series) (Volume 2)** By A Giannoccaro

The Red Market is where every pound of flesh has a price tag tacked onto it. It is a place where money can buy you everything, even a heart. Caesar has fallen and a new boss, Mateo, has risen; but he has lost his Lettie Doll and he doesn't know where to find her. She stole his soul and now he must find someone to replace her. Just like her love, his new power is an illusion. The real force behind the Red Market is about to show her cards and no one wants to play her game. Mateo and Lettie will both have to fight to find their love, but sometimes it is only found in death. You cannot go through life unnoticed by demise when you play with it every day. Sooner or later, it catches up with you and you lose. **\*\*Graphic content warning. Taboo, violent themes prevalent throughout. Reader discretion is highly advised.\*\***
