By KJ Charles

**The Secret Casebook of Simon Feximal** By KJ Charles

*A story too secret, too terrifying—and too shockingly intimate—for Victorian eyes.*

A note to the Editor

Dear Henry,

I have been Simon Feximal's companion, assistant and chronicler for twenty years now, and during that time my *Casebooks of Feximal the Ghost-Hunter* have spread the reputation of this most accomplished of ghost-hunters far and wide.

You have asked me often for the tale of our first meeting, and how my association with Feximal came about. I have always declined, because it is a story too private to be truthfully recounted, and a memory too precious to be falsified. But none knows better than I that stories must be told.

So here is it, Henry, a full and accurate account of how I met Simon Feximal, which I shall leave with my solicitor to pass to you after my death.

I dare say it may not be quite what you expect.

Robert Caldwell

September 1914

"The Caldwell Ghost" and "Butterflies" are previously published short stories. *The Secret Casebook of Simon Feximal* continues and completes Robert Caldwell and Simon Feximal's story.

*Warning: Contains a foul-tempered Victorian ghost-hunter, a journalist who's too curious for his own good, villainy, horror, butterflies, unusual body modifications, and a lot of tampering with the occult.*
