Arctic Winds (Alpine Woods Shifters series) By Sondrae Bennett

Alpine Woods Shifter, #1

Nothing will stop a wolf once he's found his mate. . .not even her own doubts.

After her skulk abandoned her four years ago, Samantha knew she would never truly be wanted. When she accidentally stumbles into a wolf town and is asked by their premier to stay, she believes it's the novelty of an arctic fox motivating him. She knows she'll be on her own again once he tires of her.

Jason finds himself pulled to Samantha from the moment she faints in his arms. His wolf is calling to him, telling him he's found their mate and the heat he feels for Samantha is impossible to resist. But his little fox is loaded down with emotional baggage and doesn't believe she's worthy of love. Can he overcome her fears? Or will pack jealousies and the local foxes convince her she doesn't belong with him before he has a chance?
