Editorial Review

About the Author

Hi! My name is Whitney. I am an international English professor and I have been an English professor of EFL for almost 23 years, during which time I have taught at all levels, and many age groups from Middle School up to adults. I have taught at a few big organizations in Korea and China, Open Universities, technical colleges, and high schools. I take great satisfaction in the fact that I was successful in helping even the weakest students to speak English and dramatically improve the level of many of those I taught. My success in teaching English is a huge part of why I am so confident in giving advice about learning languages. As English has become such an important skill for connecting with the world at large - be it for business, education or pleasure - I am eager to do all I can to support you in reaching your individual goals.
