Freedom: (Fearsome Series Book 2) By S. A. Wolfe

“AMAZING!!~ This book has it all...drama, suspense, comedy and is completely hot!!!” ~ Dawn, Goodreads reviewer

*This is a stand-alone novel in the FEARSOME series.

Dylan Blackard is back in town and certain everyone knows his secrets.

Putting away his notorious reputation as the wild guy with a womanizing past, he's now on a new path, wanting to be the good guy his brother can stop worrying over. As long as he gives up his old vices—including women—he can keep himself on the straight and narrow and finally live up to everyone's expectations.

However, obsessing about his lack of self-control is making Dylan one humorless, cranky hermit. That all changes, though, when his brother hires a new employee, the stunning Emma Keller, who will be sharing an office with him and all of his tightly wound nerves.

Emma, a spunky young woman from New Jersey, isn't about to feel sorry for Dylan and his situation. She is beyond distracting to him, and that is enough to turn his emotional balancing act upside down. Not only is she intelligent, and a smart aleck, she's also very determined to pull the sexy Dylan Blackard out of his self-imposed isolation.

From the moment he meets her, he feels alive again, but Emma doesn't come as a gift with a pretty bow; she comes with major baggage—a family embedded in its own tumultuous history.

Will Emma be the tipping point that causes Dylan to regress into his past destructive behaviors...or will he actually pursue her for keeps?

Review

"HOT, STEAMY AND SWOON WORTHY!!!"

~ Hooked on Books

"AMAZING!!~ This book has it all...drama, suspense, comedy and is completely hot!!!"

~ Dawn, Goodreads reviewer

"I love how the author ensnares us with their tough situation as we root for them despite the cards stacked against them... And their chemistry? Smoking."

~ Ebook Escapes

"The emotion was pouring out of the pages and I felt every single ounce of it. This story should be on everyone's shelves!"

~ Romance Obsessed Book Blog

"The writing is superb, well thought out and authentic. This was a truly enjoyable read."

~ Nikki Young, author of A Life More Complete

"I can't even find the words to describe this book. Saying it's good, awesome & amazing just aren't adequate."

~ Angela, Goodreads reviewer

"Their attraction ignited pretty early on in the book, and when it did... wow. These two were perfect for each other. They had a ton of chemistry and, whether they were fighting or making up, they had more than their share of passion. They challenged each other...There were some pretty unpredictable twists and turns in Freedom. It definitely kept me on my toes right up until the end. It's a wonderful story about second chances and learning to deal with your past. Both Emma and Dylan have spent a fair amount of their lives dealing with their demons. Together they're strong enough to overcome them and find something real and lasting in the process. I loved being along with them for the ride."

About the Author

S. A. Wolfe lives in New York City with her family. Complaining and hailing cabs are her specialty, especially when she gets off at the wrong subway station. She also spends a lot of time reading and writing, oblivious to what's going on around her. However, she does love to hear from readers on social media.

This Freedom: (Fearsome Series Book 2) can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Danica Johnson:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Freedom: (Fearsome Series Book 2) can make you truly feel more interested to read.
