Editorial Review

About the Author

Silvia Violet writes erotic romance in a variety of genres including paranormal, contemporary, sci fi, and historical. She can be found haunting coffee shops looking for the darkest, strongest cup of coffee she can find. Once equipped with the needed fuel, she can happily sit for hours pounding away at her laptop. Silvia typically leaves home disguised as a suburban stay-at-home-mom, and other coffee shop patrons tend to ask her hilarious questions like "Do you write children's books?" She loves watching the looks on their faces when they learn what she's actually up to. When not writing, Silvia enjoys baking sinfully delicious treats, exploring new styles of cooking, and reading to her incorrigible offspring.
