**The Gifting (The Gifting Series Book 1)** By K.E. Ganshert

"If science is right, then I am crazy. And crazy is dangerous."

In a world where nothing supernatural exists, Tess Eckhart is positive she's going crazy. After her complete freakout at a high school party, her family is too. So much that they pack their bags and move across the country, next to a nationally-renowned facility for the mentally ill.

Tess is determined to fit in at her new school, despite the whispers and stares. But when it comes to Luka Williams, a reluctantly popular boy in her class, she's unused to a stare that intense. Then the headaches start, and the seemingly prophetic dreams that haunt her at night. As Tess tries harder to hide them, she becomes increasingly convinced that Luka knows something—that he might somehow be responsible.

But what if she's wrong? What if Luka Williams is the only thing separating her from a madness too terrifying to fathom?

### Editorial Review

#### Review

"Ganshert has written a fast-paced, engaging novel, beginning a trilogy that will appeal to teens and adults alike. The interplay between the futuristic world where believing in the supernatural means you're crazy and a teen who sees strange things is gripping. Tess is a down-to-earth character, and her relationship with Luka is a good balance to the action and suspense of the rest of the story."

- Romantic Times

"Set in a not-too-distant future that feels frighteningly like home, this novel immerses readers within the heart of Tess's fear from the very first chapter. This is not, however, a novel of horror. Guaranteed to leave you breathless, *The Gifting* is an eerie merging of Gothic-like dystopian mystery and YA romance within a pulse-pounding supernatural thriller. Expect to lose sleep over this book! A must-read addition to any YA reader's collection, this one's a keeper!"

- Serena Chase, *USA Today's* Happy Ever After blog, author of *The Ryn*

"Chilling from start to finish! K. E. Ganshert delivers an exciting young adult fantasy that's just as fun as it is riveting. *The Gifting* will keep you turning pages in an effort to unlock the mystery of this unsettled world."

- Addison Moore, New York Times Bestselling Author

"K.E. Ganshert brings a fresh new voice to the dystopian romance scene for young adults. Ganshert will wow her audience with captivating prose, a well-paced plot, and just the perfect amount of swoon!"

- Heather Sunseri, author of the Mindspeak series
