Winter Stars (Pitt Poetry Series) By Larry Levis

Since the appearance of his first book in 1972, Larry Levis has been one of the most original and most highly praised of contemporary American poets. In *Winter Stars*, a book of love poems and elegies, Levis engages in a process of relentless self-interrogation about his life, about losses and acceptances. What emerges is not merely autobiography, but a biography of the reader, a “representative life” of our time.
