YAMAGUCHI Improvisation Method By Masaya Yamaguchi

The motivation for the YAMAGUCHI improvisation method was to develop my The Complete Thesaurus of Musical Scales and delve into my findings about music education. I do not have any aspiration to write the best-selling how to improvise textbook, but I did have the perspiration required to complete the best content improvisation method book available to any instrumentalist. My main priorities are to boost teaching quality as well as general academic standards in music pedagogy. The YAMAGUCHI improvisation method is also intended to answer musicians demands for my lessons (This textbook price is more reasonable than one-time private lesson fee). With my original method revealed in this book, you will be able to activate, in your music, The Complete Thesaurus of Musical Scales, Symmetrical Scales for Jazz Improvisation, Pentatonicism in Jazz: Creative Aspects and Practice, and Lexicon of Geometric Patterns for Jazz Improvisation. The motto of the YAMAGUCHI Improvisation Method is, "Search not for the tracks of the people of old, Search for that which they aspired to." Keep stimulating your interests by researching the past, and searching within yourself. I hope that the YAMAGUCHI Improvisation Method will guide you to become a complete artist. GOOD LUCK!

Editorial Review

About the Author

Masaya Yamaguchi is not only a musician but also a conceptualist who established his own system to explore the imaginative formation of musical scales by The Complete Thesaurus of Musical Scales, which is a meta-contribution to music pedagogy of a high standard. Jazz Education Journal wrote, "Its worth mentioning that this book comprehensively covers all theoretical possibilities in constructing scales July-August 2002." The concept is revealed in many of his writings and compositions. Because of the reference value of his outstanding achievements, Marquis Whos Who has selected his biographical profile for inclusion in Whos Who in America, Whos Who in the World and Who's Who of Emerging Leaders.

Users Review

From reader reviews:

Connie Griffin:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each book has different aim as well as goal; it means that reserve has different type. Some people truly feel enjoy to spend their time to read a book.
