Bound By Seduction

A woman on the prowl...

After three years of grieving, widow Demi Barnes is ready for another relationship—a purely physical relationship. One that won't involve her heart, interfere with her life or tarnish the love she still carries for her beloved husband. Aiden Winchester, her best friend's brother, fits the bill. As an active operator within the elite SEAL program, he's rarely home, and his dangerous career insures she'll lock down any stray feelings for fear he'll break her already fragile heart. And then there's the way his long, lean body, chiseled features and delicious ass launch a full array of tingles, chills and hormonal meltdowns whenever he's near. The problem? Aiden's barely aware she exists.

A SEAL on a mission...

Aiden Winchester wanted Demi Barnes the moment his sister introduced them, but she was married and off limits. After her husband's death, he batted down his hunger and waited for her to open herself emotionally. But when he discovers the woman he's lusted after for five long years is about to embark on a rebound fling with someone else, it's full steam ahead and all ammunition on deck. The only man Demi will take to bed—or on the kitchen table or up against the wall—is him. And it won't be a short-term fling.

A double-edged seduction...

On the battlefield of desire every advantage counts, so when a persistent admirer turns stalker, Aiden grabs the opportunity to move in with Demi under the guise

of protection. The two square off in a close-quarters battle of the heart—but when the passion settles and the sheets cool, will their connection prove fleeting or permanent?
