## I Heard A Rumor By Cheris Hodges

Chante Britt is nobody's fool—and she's definitely not standing by her cheating ex-fiancé and current mayoral candidate, Robert Montgomery. Too bad he chose to tell the media otherwise. To escape an onslaught of prying reporters, Chante flees to her grandmother's South Carolina beach house. But when she meets Zach Harrington, she may be out of the frying pan and into the fire. The man is arrogant, way too forward—and way too sexy...

Newly divorced and dealing with a scandal of his own, Zach should stay clear of all women. Yet something about Chante draws him in—maybe it's the drink she throws in his face after his too-hot-to-handle surprise kiss. Still, Zach firmly believes they can help each other take the edge off. And once he gets her to agree, what could have been a fling promises to be much more—until their personal and public dramas catch up with them. Will past wrongs keep them from finally having the love that's right?
