Marked: Eternal Guardians (Volume 1) By Elisabeth Naughton

Theron-Dark haired, duty bound and deceptively deadly. He's the leader of the Argonauts, an elite group of guardians that defends the immortal realm from threats of the Underworld.

From the moment he walked into the club, Casey knew this guy was different. Men like that just didn't exist in real life--silky shoulder-length hair, chest impossibly broad, and a predatory manner that just screamed dark and dangerous. He was looking for something. Her.

She was the one. She had the mark. Casey had to die so his kind could live, and it was Theron's duty to bring her in. But even as a 200-year-old descendent of Hercules, he wasn't strong enough to resist the pull in her fathomless eyes, to tear himself away from the heat of her body.

As war with the Underworld nears, someone will have to make the ultimate sacrifice.

Editorial Review

From Publishers Weekly

Conniving Greek gods, horrifying demons, vengeful warriors, and true love clash in this sexy, fast-paced paranormal romance series launch. Cocktail waitress and bookseller Casey Simopolous leads a lonely life until the night she rescues a mysterious man from a pack of hideous monsters. The handsome stranger is the Argonaut Theron, a guardian of a realm inhabited by the descendants of Greek demigods, and Casey soon finds herself thrown into a dangerous romance amid secrets and prophecies that may hold the key to her own mysterious past and the salvation of Theron's besieged race. Naughton (*Stolen Fury*) occasionally stumbles in her narration, but she has a tremendous skill with steamy passion, dynamic characterization—especially of strong, multifaceted women whose friendships and family relationships play a crucial part in the story—and thrilling action.
