Editorial Review

From the Back Cover

Learn to:

- Recognize the difference between emotional hunger and physical hunger
- Stick to practical and healthy eating habits
- Finally! Discover answers to not only how but why

Expert advice on how to get on the path to recovery!

Overcoming Binge Eating For Dummies provides trusted information to help you and your loved ones understand your binge eating — and gain control over it. Jennie J. Kramer and Marjorie Nolan Cohn use real-life examples from their work with patients they've helped to overcome this complicated disorder. *Overcoming Binge Eating For Dummies* provides compassionate and authoritative guidance on how to identify the symptoms of binge eating disorder (BED), successfully treat BED as the addiction it is, find practical solutions to overcome urges to binge, create and sustain healthy eating habits, eat when you're physically hungry rather than emotionally hungry, and much more.

- Get the straight facts on binge eating disorder — discover the differences between emotional eating, compulsive overeating, and binge eating
- Take the road to recovery — recognize and reduce signs and symptoms, motivate yourself for lasting change, and seek professional treatment when needed
- Nourish your body — learn about proper nutrition and develop an eating plan that's specific to your needs
- Survive setbacks — avoid yo-yo dieting and weight fluctuations once and for all
- Use your support system — explore how family, friends, support groups, and professionals can help in your recovery

Open the book and find:

- The physical and emotional triggers for bingeing
- How to stay motivated for lasting and effective change
- Practical tips on how to handle anxiety and emotional eating
- The criteria that identify binge eating as an addiction
- Whether nutritional supplements and medications can be helpful
- How bingeing affects women, men, children, and other groups differently
- Ten myths about binge eating disorder

Users Review

From reader reviews:

Michael Moore:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them household or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that's look different you can read some sort of book. It is really fun in your case. If you enjoy the book which you read you can spent the entire day to reading a book. The book Overcoming Binge Eating For Dummies it doesn't matter what good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. When you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore quickly to read this book from your smart phone. The price is not to fund but this book provides high quality.

Megan Lapointe:

People live in this new moment of lifestyle always try and and must have the spare time or they will get lots of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, often the book you have read will be Overcoming Binge Eating For Dummies.

Bonnie Lugo:

Don't be worry should you be afraid that this book will probably filled the space in your house, you may have it in e-book method, more simple and reachable. This Overcoming Binge Eating For Dummies can give you a lot of pals because by you considering this one book you have issue that they don't and make a person more like an interesting person. That book can be one of a step for you to get success. This book offer you information that might be your friend doesn't recognize, by knowing more than various other make you to be great individuals. So , why hesitate? Let's have Overcoming Binge Eating For Dummies.

Belinda Hamilton:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Overcoming Binge Eating For Dummies can make you feel more interested to read.
