**Red (The True Reign Series Book 2)** By Jennifer Anne Davis

Sentenced to be executed.

Betrayed. Alone.

Hung on the gallows.

Rema thought her life was over, but she was wrong.

Saved by a rebel force she'd only ever heard rumors about, Rema finds herself in a forbidden place. She is finally safe—free from the king and Prince Lennek. But not everything is as it seems at the rebel fortress. Secrets are whispered, and loyalties are tested. Once Rema uncovers the truth of her heritage, will she flee? Or will she ascend to the throne, taking on the responsibility of an entire kingdom?

Now that Darmik knows Rema's true identity, he's on a quest to save her. But when an Emperion assassin arrives on Greenwood Island, Darmik knows he doesn't have very long to find her. In a deadly game with high stakes, will Darmik remain loyal to his family? Or will he break away and join the rebels?

Kingdoms rise and fall.

Heroes are born and made.

But one thing remains the same—love conquers all.

The True Reign Series has over 1,000 five-star ratings on Goodreads. Perfect for fans of Kristin Cashore and George R.R. Martin, this second book in a now complete action-packed young adult fantasy series is impossible to put down! War by Jennifer Anne Davis has been compared to the Red Queen by Victory Aveyard, A Court of Thorns and Roses by Sarah J. Maas, and The Selection by Kiera Cass.
