The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) By F. Kottenkamp

From his earliest years and throughout his training as squire, a young knight was rigorously instructed in the use of arms. Competing in tournaments honed the skills of knights and squires alike, and provided a keen development of military prowess beyond the dangers of the battlefield. As improvements in defensive armour and weaponry were made, the elaborate decoration of arms also flourished. The trials and jousts of the tournament became more than just a stage for combat as the weaponry itself evolved into a stunning art form.

A visual and literary feast, *The History of Chivalry and Armour* is a study of medieval knights in all their grandeur, fully displaying their instruments of siege, ornaments, and entertainments. Reproduced from a rare nineteenth-century masterpiece, here are the origins, codes, and practices of knighthood, alongside magnificent hand-colored engravings of armour, weapons, and the men who bore them. Enjoy breathtaking shields, helmets, and horse coverings. Revel in meticulously rendered lances, spears, and spiked clubs, as well as incredibly engineered mobile siege towers and muskets. The richly decorated equipment used in warfare and jousting shine brightly in this treasury, accompanied by authentic literature from poets and troubadours of the age.

Should you be having difficulties in bringing the printed book maybe the form of The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) in e-book can be your alternate.

Deanna Reed:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) can make you experience more interested to read.

Ester Beckles:

What is your hobby? Have you heard that question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. And you know that little person including reading or as reading become their hobby. You must know that reading is very important as well as book as to be the matter. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You will find good news or update with regards to something by book. Amount types of books that can you decide to try be your object. One of them is this The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor).
