Arctic Fire (The Fire and Ice Series, Book 2) By Erica Stevens

For the past six years, Quinn has looked forward to the day when she would finally have her revenge against the vampire who slaughtered her family. What she never expected is for that vampire to walk into Clint's bar and unleash terror and death on her small desert town. With more people dying every day, Quinn realizes she must delve deeper into her power than she's ever wanted or dared to before in order to save her loved ones.

As new enemies and allies arise and good friends are lost, Julian will do whatever it takes to keep Quinn from the clutches of the vampire who stalks and torments her. Even if it means becoming the vampire he once was and swore he'd never be again.

The Fire and Ice series is a spinoff based on characters from The Kindred Series. You do not have to read The Kindred Series in order to enjoy this book or its successors. The maturity level of this series will grow with each book and is recommended for readers 17+
