By S. Deneulin

## The Capability Approach and the Praxis of Development By S. Deneulin

The book examines the extent to which Amartya Sen's conception of 'development as freedom' can be a guide for development policy. It argues that the theoretical foundations of the conception need to be expanded, and that it needs to give more attention to collective and historical dimensions if it is to address poverty effectively.

### **Editorial Review**

#### Review

'Deneulin writes with clarity, economy, and purpose, and synthesizes and adds to a series of literatures in philosophy, history and social theory that are extremely relevant for assessing and deepening the capability approach.' - Des Gasper, Journal of Human Development and Capabilities

#### About the Author

SÉVERINE DENEULIN is a Lecturer in International Development at the University of Bath, UK. She holds a D.Phil. from the University of Oxford, and a MA in Economics from the Université Catholique de Louvain, Belgium.

### **Users Review**

#### **From reader reviews:**

##### **Carol Elliott:**

The book The Capability Approach and the Praxis of Development can give more knowledge and information about everything you want. It can't be stated constantly that reading routine only for the geeky man but for all of you who wants to always be success person. So , for all of you who want to start examining as your good habit, it is possible to pick The Capability Approach and the Praxis of Development become your own starter.

##### **Robert Alcock:**

Your reading 6th sense will not betray anyone, why because this The Capability Approach and the Praxis of

Development publication written by well-known writer whose to say well how to make book that could be understand by anyone who else read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still skepticism The Capability Approach and the Praxis of Development as good book not just by the cover but also by content. This is one book that can break don't determine book by its protect, so do you still needing yet another sixth sense to pick this!?! Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.

**John Davis:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Capability Approach and the Praxis of Development can make you really feel more interested to read.
