### The Sayings Of Lao Tzu By Lao Tzu

"There is something, chaotic yet complete, which existed before Heaven and Earth. Oh, how still it is, and formless, standing alone without changing, reaching everywhere without suffering harm! It must be regarded as the Mother of the Universe. Its name I know not. To designate it, I call it Tao. Endeavoring to describe it, I call it Great. Being great, it passes on; passing on, it becomes remote; having become remote, it returns."

### Editorial Review

#### About the Author

Laozi (also Lao-Tzu or Lao-Tze, Chinese: 老子; pinyin: Lǎozǐ, lit. "Old Master") was an ancient Chinese philosopher and writer. He is known as the reputed author of the Tao Te Ching and the founder of philosophical Taoism, and as a deity in religious Taoism and traditional Chinese religions. Although a legendary figure, he is usually dated to around the 6th century BC and reckoned a contemporary of Confucius, but some historians contend that he actually lived during the Warring States period of the 5th or 4th century BC. A central figure in Chinese culture, Laozi is claimed by both the emperors of the Tang dynasty and modern people of the Li surname as a founder of their lineage. Laozi's work has been embraced by various anti-authoritarian movements as well as Chinese Legalism.

### Users Review

#### From reader reviews:

##### Susan Arnold:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world.
