### Chilenismos: A Dictionary and Phrasebook for Chilean Spanish / Chilenismos-English / English-Chilenismos (Hippocrene Dictionary & Phrasebooks) (Spanish Edition) By Daniel Joelson

Although Castilian Spanish is the official language of Chile, this South American nation is known for having a great number of words and phrases that are distinct from other Spanish-speaking countries. In fact, the Spanish spoken in Chile is often indecipherable even to native speakers of Castilian Spanish. For example, only in Chile would you say: "Están cayendo los patos asados" (Roast ducks are falling) when the weather is hot. This dictionary and phrasebook prepares tourists, businesspeople, and anyone spending time in Chile for such idiosyncrasies.

- Historical and cultural information on the Chilean "dialect"
- An explanation of grammar and distinctive speech patterns
- Useful sections on Anglicisms, food & dining, and travel
- More than 1,500 Chilenismos words and expressions
