Fashion Flats and Technical Drawing: Bundle Book + Studio Access Card

By Bina Abing, Felice DaCosta

Fashion Flats and Technical Drawing is a step-by-step workbook for learning technical drawing and flat sketching skills. With more than 500 hand-drawn and CAD-rendered flats and 100 photos of finished samples showing how a sketch translates to a 3D garment, the book covers a range of garments and construction details used to communicate fashion designs for portfolios and production. Abing and DaCosta progress from basic design construction details such as darts, gathers, and trims to essential garment styles including skirts, tops, dresses, pants, jackets and coats. The book includes unique coverage of presentation of flats in a portfolio and critical step of preparing flats for a technical package and productions. Downloadable figure templates and flats library are available online. This book is an essential resource for fashion designers to learn technical drawing skills that effectively communicate fashion design concepts.
