Kellion (Heart Racer College Biker Romance Series) By Marian Tee

This is a full-length standalone biker romance novel with a **HAPPY-EVER-AFTER ending.**

His name is Kellion. Beautiful. Wicked. Dashing. *Alive*. That's what attracted me the most about him – that he's so full of life, it makes me feel like I'm not dead inside.

I thought he was just like all the other bikers of the Afxisi, America's most popular and exclusive underground racing club. Someone too rich, too gorgeous for his own good, someone too full of himself to be human.

But then I saw a secret side of him. Realized that he had just been pretending all along. Realized that he needed me, and that broken part of him drew me in, like a moth to a flame.

Now, I want to be the one to make him smile. Really smile, and not like all those fake smiles he used to make the girls around him fall in love.

I want to make him think of me, just me. I want to belong to him, just him. But most of all, I want him to know I love him. Not the biker, not the billionaire's son, not the hot guy. But him. *Kellion*.

Even if his smile tells me he'll end up tearing me apart, I need him to know he's not alone. I'm his to love or destroy. Whatever he wants – I'm his.
