Delilah, a young werewolf of the Zephirah Pack, has never seen snow before. Her father, the pack's Alpha, warns her not to wander off by herself during a meeting between the most powerful packs in the region. Full of excitement, she disobeys him and runs off into the woods to play.

But it's not long before her father's fears are realized, and she's captured by the Ice Palace Pack and taken to their underground territory. Delilah has never been mated before, but it's the winter solstice, and, before the pack's annual mating frenzy can begin, a were-female from another pack must be shared between them. Scared by what this might mean, but dazzled by the smoking-hot males, Delilah has a tough choice to make - and one that will bring her more pleasure than she could have imagined.

Ravished by the Ice Palace Pack is a 11,000 word erotic short story. It contains strong sexual themes, and is not intended for readers under the age of 18.
