The Complete Carcassi Guitar Method: In English and Spanish with Carcassi's "25 Studies" By Mel Bay, Joseph Castle

Here in a single volume is the original guitar method of Mateo Carcassi (1792-1853) translated to ENGLISH and SPANISH and published with his famous "25 Studies". Although regarded as moderately archaic in terms of modern guitar technique, Carcassi's time-proven method is second to none in its presentation of a graded learning system featuring scales, exercises, and engaging compositions in various keys. Written in standard notation only.
