Teachers and schools implementing the Daily 5 will do the following:

- Spend less time on classroom management and more time teaching
- Help students develop independence, stamina, and accountability
- Provide students with abundant time for practicing reading, writing, and math
- Increase the time teachers spend with students one-on-one and in small groups
- Improve schoolwide achievement and success in literacy and math.

The Daily 5, Second Edition gives teachers everything they need to launch and sustain the Daily 5, including materials and setup, model behaviors, detailed lesson plans, specific tips for implementing each component, and solutions to common challenges. By following this simple and proven structure, teachers can move from a harried classroom toward one that hums with productive and engaged learners.
