The End of All Things By Lissa Bryan

Praise for The End of All Things:

Not only does Lissa Bryan tell a convincing end of the world as we know it story, but also a wonderfully emotional romance -- Sandra from My Fiction Nook

Yes, an end of the world romance TOTALLY works -- Sandi Layne

I love, love, love this book. Have reread it 3 times. It's a love story, survival story and action adventure all in one. -- Karen Jenkins

The End of All Things was a lovely surprise. I'm a fan of dystopia and post-apocalyptic novels, but Lissa Bryan happened to do something different. She brought love to the forefront, weaving relationships and romance with an end-of-the-world-as-we-know-it into an overall theme of the things taken for granted. -- Raina at The LUV'NV blog

### SUMMARY:

After a terrible virus ravages the planet, Carly Daniels, one of the few survivors, hides in her apartment in Juneau trying to survive the best she can with only occasional forays to gather food. With her is Sam, a wolf puppy she found starving on the streets. He becomes her companion and a reason to continue when giving up sometimes seems like the more attractive option. Still dazed with shock and grief, she hopes for the world to go back to normal soon.

She is discovered by Justin, an ex-soldier who is intent on making his way to Florida before the winter sets in. Justin coaxes her out of her hiding place and convinces her to join him on his journey, because a warmer climate will be their best chance against the extremes of Mother Nature.

Together, they begin a perilous journey through a nation laid to waste by the disaster. Challenges abound along the way. The weather, injury, and shortage of supplies all help to slow them down. In time, they discover that they aren't the only survivors. Some are friendly but some have had their minds destroyed by the high fever. Then there are those who simply take what they want, leaving Carly and Justin with no choice but to defend what is theirs.

But their journey is not without joy and love. Together, they face every struggle, including an unplanned pregnancy. Despite the perils of bringing a child into a world of chaos, their baby is a new beginning for themselves and a symbol of hope for the other survivors they find along the way.

This is the story of their journey to find a place to begin a new life, and a home in each other.

Praise for The End of All Things:

But this isn't just a story of two people who find love in the unlikeliest people and places. This story is also about survival and the difficult decisions people have to make to ensure it. --Amy, Goodreads

The End of All Things is more about hope and second chances, and I very much enjoyed the tale highly recommended for all fans of apocalyptic fiction. It's a well-written book with excellent pace, plot, and best, it has real soul.-- Jade Kerrion, Goodreads

I am not usually fond of The End of the World As We Know It books, but this book was so much more than a post apocalypse story. It contained adventure, mystery, sadness and a truly sweet romance. --Pamela, Goodreads

Are you kind of hectic person, only have 10 or maybe 15 minute in your time to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you have problem with the book than can satisfy your small amount of time to read it because all this time you only find book that need more time to be examine. The End of All Things can be your answer because it can be read by you who have those short time problems.

Marion Driskell:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The End of All Things can make you truly feel more interested to read.
