### Transformers: Identification and Price Guide By Mark Bellomo

*Transformers: Identification and Price Guide* is the ultimate reference for all Generation One (G1) Transformers figures released from 1984-1990. Featuring more than 1,200 color photographs, this unparalleled guide presents every character in robot and alternate modes with accessories.

Individual character biographies are presented from the original Tech Specs and also include function, personal motto, and ability scores. Notes on character history-as presented in the Sunbow cartoon series and Marvel comic books-are complemented by expert commentary on character attributes and popularity on today's secondary market. Current values for all figures in varying condition grades assist collectors in determining the value of their collections.

Collectors, toy dealers, casual fans, and everyone who staged basement battles between the heroic Autobots and the evil Decepticons need an accurate identification and price guide to decipher the more than 300 G1 Transformers toys produced from 1984-1990. This is the definitive reference for your favorite "Robots in Disguise!"

### Editorial Review

#### Users Review

##### From reader reviews:

##### Jocelyn Welch:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Transformers: Identification and Price Guide. All type of book could you see on many resources. You can look for the internet solutions or other social media.

##### Terrance Hutchins:

This book untitled Transformers: Identification and Price Guide to be one of several books this best seller in this year, that's because when you read this reserve you can get a lot of benefit on it. You will easily to buy this book in the book store or you can order it through online. The publisher on this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Cell phone. So there is no reason to you personally to past this reserve from your list.

##### Larry Valadez:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Transformers: Identification and Price Guide.

##### Blake Darden:

The reason? Because this Transformers: Identification and Price Guide is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret it inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content inside of easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking means.

So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.
