

VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor

By Steve Hickey

VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor By Steve Hickey

This book tells the story of how the controversy about vitamin C has grown and continues even as increasing evidence demonstrates the value of the orthomolecular approach. The story of vitamin C is an exciting journey into the workings of science and medicine, the intrigues of political and economic influences, and the evolutionary history of humankind. Someday, medicine without vitamin C therapy will be compared to childbirth without sanitation or surgery without anesthetic.

Editorial Review

About the Author

Steve Hickey has a B.A. (math and science) from the Open University, membership of the Institute of Biology by examination in pharmacology, and is a chartered biologist and a former member of the British Computer Society. He did research into ultra-high-resolution computerized tomography (CT) body scanning, leading the physics team in Europe's first clinical magnetic resonance (MR) imaging unit at Manchester Medical School. He has over 100 scientific publications, covering a variety of disciplines. Currently, he is a member of the biology department of Staffordshire University. Andrew W. Saul has over 30 years of experience in natural health education. He taught nutrition, health science, and cell biology at the college level for nine years. He is chairman of the Independent Vitamin Safety Review Panel, editor of the Orthomolecular Medicine News Service, and assistant editor of the of Orthomolecular Medicine. He is the author of Doctor Yourself and Fire Your Doctor! (both available from Basic Health Publications).

Users Review

From reader reviews:

Mark Dunn:

In this 21st centuries, people become competitive in most way. By being competitive right now, people have do something to make these individuals survives, being in the middle of the crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yep, by reading a reserve your ability to survive improve then having chance to stand than other is high. For you personally who want to start reading a new book, we give you that VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor book as beginning and daily reading e-book. Why, because this book is usually more than just a book.

Ernest Maguire:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining such as comic or novel. Often the VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor is kind of publication which is giving the reader erratic experience.

Mildred Kelly:

Are you kind of busy person, only have 10 or even 15 minute in your day to upgrading your mind expertise or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because all this time you only find e-book that need more time to be read.

VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor can be your answer mainly because it can be read by an individual who have those short extra time problems.

Gordon Miller:

In this period globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is VITAMIN C: the Real Story (Volume 2 of 2) (EasyRead Super Large 24pt Edition): The Remarkable and Controversial Healing Factor this publication consist a lot of the information with the condition of this world now. This particular book was represented just how can the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book ideal all of you.
