

## What a Life

By Emmanuel Essien

### What a Life By Emmanuel Essien

Anyone who reads this book should remember this has been my life, and I chose to share it with you but, this cannot be practiced. If you are like me, you are not alone in a world where wealth with no work is possible, talent goes undiscovered, and the numbers of greats who die are too much to count. Don't die, tell your story. . . I am sure it's better than mine. . . That's why I'll read it. . .

### Editorial Review

#### About the Author

Emmanuel Essien, also known as Mannie d'Maestro, is a veteran broadcaster with eleven years of radio experience. He has hosted the morning show on Cool FM 96.9 in Lagos since 2008. He is a sound linguist, a conscious songwriter, a singer, the 2015 Nickelodeon Kids Choice Award winner for favourite Nigerian radio presenter, a father, a husband, and a Christian, and he considers himself to be a Homo sapiens and nothing else.

He is known for saying, "If we humans are more intelligent than ants or apes or fish, then there is higher intelligence beyond humans. They made this world, it spins, and rotates around the sun, engineering we can't understand because we are not intelligent enough. That higher intelligence is God."

Mannie can speak with his mouth closed.

### Users Review

#### From reader reviews:

##### Mable Garza:

Reading a reserve tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some investigation before they write for their book. One of them is this What a Life.

##### Raymond Custer:

Often the book What a Life has a lot associated with on it. So when you make sure to read this book you can get a lot of help. The book was compiled by the very famous author. Tom makes some research before write this book. This specific book very easy to read you will get the point easily after reading this article book.

##### Audrey Thompson:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know

that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this What a Life can make you really feel more interested to read.

**Marcia Ogburn:**

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person like reading or as reading through become their hobby. You need to know that reading is very important as well as book as to be the factor. Book is important thing to add you knowledge, except your current teacher or lecturer. You get good news or update concerning something by book. Numerous books that can you choose to adopt be your object. One of them is niagra What a Life.
