Editorial Review

From Publishers Weekly

In this admiring and enormously readable revision/condensation of his acclaimed two-volume biography, published in 1983 and 1984, Ambrose reminds us that this "great and good man" was the most successful general of the greatest war ever fought and the only president of this century to preside over eight years of peace and prosperity. Tracing Eisenhower's family background, education, military and political careers, and influence as elder statesman, the author chronicles Eisenhower's triumphs and failures and at the same time provides a vivid picture of the off-duty Ike. As Allied Supreme Commander, he is revealed once again as a coalition leader of extraordinary ability (and "an intensely alive human being who enjoyed his job immensely"). As our 34th president, he was a statesman who guided the free world through one of the most dangerous decades of the Cold War. Ambrose argues that Eisenhower has much to say to us today on such fundamental issues as national defense, arms expenditures, the importance of a balanced budget and the desirability of a United States of Europe with an all-European army. This is the definitive one-volume biography of Eisenhower.

Review

Publishers Weekly The definitive one-volume biography of Eisenhower.

Robert J. Donovan The best book to date on its subject....Of Eisenhower's high rank on the list of presidents there can be little doubt.

John Keegan A magnificent biography.

James MacGregor Burns Fascinating....An important case study in military and political leadership. -- Publishers Weekly
