Exemptions By Kent Greenawalt

Should laws apply to everyone, or should some people be exempt because of conflicting religious or moral convictions? Through a close study of several cases, from abortion to taxes, Kent Greenawalt demonstrates how to weigh competing values without losing sight of practical considerations like the difficulty of implementing a specific law.

Editorial Review

Review

The qualities that make Greenawalt so universally and strongly admired are on full display here?thoughtfulness, mastery of detail, deep empathy for competing positions, and clear writing. This will be an important book, not only in the fraught present but also in the calmer future. (Nelson Tebbe, Brooklyn Law School)

This book deserves a good deal of attention. Like all of Greenawalt's work, *Exemptions* is clear, careful, and superbly parsed. (Paul Horwitz, University of Alabama School of Law)

Greenawalt, in this readable, informative, in-depth study, probes the under-researched area of government exemptions. The author's primary focus is the basic underlying reasons for deciding to grant exemptions and determining their scope. Greenawalt persuasively illustrates, beyond recent controversial headlines, how to weigh competing values favoring or opposing exemptions from historical, comparative, and critical perspectives. Readers of Greenawalt's work will have the tools necessary to analyze today's controversies resulting from *Obergefell v. Hodges* and *Burwell v. Hobby Lobby*. The connecting thread between granting or opposing an exemption is Greenawalt's contention that serious reflection on what should be done requires recognition of actual competing considerations and genuine concern for fellow citizens who differ from others in significant ways.

(J. M. Trayhan *Choice* 2016-10-01)

About the Author

Kent Greenawalt is University Professor at Columbia University.

Users Review

From reader reviews:

Christopher Forney:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each book has different aim or even goal; it means that reserve has different type. Some people sense enjoy to spend their time to read a book. They can be reading whatever they take because their hobby is usually reading a book. How about the person who don't like reading a book? Sometime, man or woman feel need book once they found difficult problem or exercise. Well, probably you should have this Exemptions.

Kathleen Carroll:

Reading a publication tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with

their story as well as their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this Exemptions.

Jill Beery:

The e-book with title Exemptions contains a lot of information that you can find out it. You can get a lot of benefit after read this book. That book exist new expertise the information that exist in this publication represented the condition of the world today. That is important to yo7u to know how the improvement of the world. This book will bring you with new era of the syndication. You can read the e-book on the smart phone, so you can read the item anywhere you want.

Jason Caldwell:

This Exemptions is great publication for you because the content and that is full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Exemptions in your hand like obtaining the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen tiny right but this e-book already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt in which?
