Never Trust a Skinny Cupcake Baker (Death by Cupcake) (Volume 1) By D. E. Haggerty

A mystery with a heap of laughs, a generous portion of romance, and just a smidgeon of suspense. Callie's life is rather awesome. She owns a successful bakery and teaches German literature at the local university. There's just one tiny problem. She has no self-confidence when it comes to her body. And then there's the little matter of her being accused of murdering her pole dancing instructor. There's no way Callie's going to risk losing her teaching position and thus she embarks, with her best baker bud Anna, on a journey to discover the real killer. Between stripper auditions and a detective who insists Callie is the woman of his dreams, it's a roller coaster adventure. Cupcakes not included.

Editorial Review

About the Author

I grew up reading everything I could get my hands on from my mom's Harlequin romances to Nancy Drew to Little Women. When I wasn't flipping pages in a library book, I was penning horrendous poems, writing songs no one should ever sing, or drafting stories which have thankfully been destroyed. College and a stint in the U.S. Army came along, robbing me of free time to write and read, although I did manage every once in a while to sneak a book into my rucksack between rolled up socks, MRIs, t-shirts, and cold weather gear. A few years into my legal career, I was exhausted, fed up, and just plain done. I quit my job and sat down to write a manuscript, which I promptly hid in the attic after returning to the law. Another job change, this time from lawyer to B&B owner and I was again fed up and ready to scream I quit, which is incredibly difficult when you own the business. Thus, I shut the B&B during the week and in the off-season and started writing. Several books later I find myself in Istanbul writing full-time.

Users Review

From reader reviews:

Barry Phelan:

The book Never Trust a Skinny Cupcake Baker (Death by Cupcake) (Volume 1) can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book Never Trust a Skinny Cupcake Baker (Death by Cupcake) (Volume 1)? A number of you have a different opinion about book. But one aim this book can give many info for us. It is absolutely appropriate. Right now, try to closer with the book.
